## Benevolent Focus

### ELCA International Disaster Response

"Lutheran Disaster Response collaborates with other disaster response organizations and religious entities in the United States and around the world. This enables the greatest stewardship of resources and maximum impact of response. Because of this, we believe every response needs to be rooted in the community; we work to accompany that community from immediate relief through long-term recovery. In our international work, we partner closely with companion churches and other Lutheran and ecumenical relief agencies to make sure local needs are being addressed and met. In the United States, we work through our extensive affiliate network and other partners to address these same concerns. [www.elca.org](http://www.elca.org)"

## Goats for Sharing

The Lenten Outreach Endeavor sponsored by the Mission Ministry is to supply goats to Third World Countries. These superheroes of the barnyard can survive in the harshest of environments and go where other animals cannot survive. Goats can provide fresh milk to help meet daily nutrition needs of children, families and offspring and they can transform a community when shared with other families in need. Mission Ministry will be selling goats for \$1.00 to be put in our barnyard in the narthex during the month of March. Real goats cost \$50 each and our goal is to purchase 10 of them. Let's see how many we can provide for God's children in need. Thank you in advance!

## Bibles for India . . . 2018 in 2018!

Hackman's is collecting new and used Bibles for their Bibles for India Project. Their goal is to collect 2,018 Bibles in 2018. If you have any new or used Bibles you would like to donate to this project, please place your Bibles in the box in the narthex labeled **Bibles for India by April 8**. The Education team will deliver them to Hackman's.

The Church Council has voted to allow SCRIP fund to accumulate until the end of the fiscal year. If a deficit exists at that time, this fund will be transferred to offset the deficit. If there is no deficit, then Council will designate this money for another purpose.
